

The Top Third-Party Risk Management Software According to the FeaturedCustomers Winter 2025 Customer Success Report

FeaturedCustomers releases the Winter 2025 Third-Party Risk Management Software Customer Success Report.

SUNRISE, FL, UNITED STATES, March 11, 2025 /EINPresswire.com/ -- Today FeaturedCustomers published the [Winter 2025 Third-Party Risk Management Software Customer Success Report](#) to give prospects better insight on which Third-Party Risk Management Software would work best for their business according to real customer references.

The highest rated vendors according to the Winter 2025 Third-Party Risk Management Software Customer Success Report are:

Market Leaders – BitSight, MetricStream, NAVEX, OneTrust, Riskconnect, and SecurityScorecard were given the highest “Market Leader” award. Market Leaders are vendors with a substantial customer base & market share. Market Leaders have the highest ratio of customer reference content, content quality score, and social media presence relative to company size.

Top Performers – Aravo, Black Kite, LogicGate, LogicManager, PlexTrac, Prevalent, Protecht, Resolver, SAI360, Secureframe, and Venminder awarded “Top Performer” honors. Top Performers are vendors with significant market presence and enough customer reference content to validate their vision. Top Performers’ products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader relative to company size.

Rising Stars – CENTRL, Panorays, ProcessUnity, SureCloud, and UpGuard were awarded the “Rising Star” honor. Rising Stars are vendors that do not have the market presence of Market Leaders or Top Performers but understand where the market is going and has disruptive

technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

About the Winter 2025 Third-Party Risk Management Software Customer Success Report:

The customer success report is based on over 1,800 pieces of verified customer reference content. A vendor's overall customer success score is reached via a weighted average of their Content, Market Presence, and Company Scores. Of the vendors listed in the FeaturedCustomers' Third-Party Risk Management Software category, 22 vendors met the minimum requirements needed to be considered for the customer success report.

About FeaturedCustomers:

FeaturedCustomers, the world's only customer reference platform for B2B business software and services, helps potential B2B buyers research and discover business software and services through vendor validated customer reference content such as customer testimonials, success stories, case studies, and customer videos. Every day the platform helps influence the purchasing decisions of thousands of B2B buyers in the final stages of their buying cycle from Fortune 500 companies to SMB's.
