

Let's Talk™ With Ron Gazboda, CEO, Founder, Owner, ARK Protection Group

Ron presently serves as the head of security for Vivek Ramaswamy, candidate for Governor in the State of Ohio.

NEW YORK, NY, UNITED STATES, March 17, 2025
/EINPresswire.com/ -- About Ron Gazboda, CEO & Founder, ARK PROTECTION GROUP

With over two decades of combined military and private security experience, former Master Sergeant Ron Gazboda has dedicated his life to protecting others. He served in the U.S. Air Force and was assigned to several specialty units in Security Forces, one of them being the 820th Combat Operations Squadron, which is part of the Department of Defense's Immediate Response Force (IRF). The IRF is a rapid deployment force jointly maintained by the U.S. Army and U.S. Air Force, equipped and trained for joint airborne and air assault insertion operations, providing high-risk force protection and integrated base defense for expeditionary units.

Ron has extensive experience operating in hostile environments. He served in both Operation Iraqi Freedom and Operation Enduring Freedom (Afghanistan). As Fire Team Leader, he planned, organized, and executed joint combat patrols, PSD operations, key leader engagements, and operations capturing Taliban Insurgents responsible for indirect fire and Improvised Explosive Device attacks.

“

We are honored to speak today with Ron Gazboda, CEO, Founder, Owner, ARK Protection Group”

Martin Eli, Publisher

While stationed in Washington D.C., as a Phoenix Raven, Ron directed Executive Aircraft Security Operations for the First Lady, the Speaker of the House, the Secretary of State, the Secretary of the Treasury, the Secretary of Defense, the CIA Director, Senior Administration Officials, and Congressional Leaders on official travel, transiting more

than 100 countries.

Ron Gazboda, CEO, Founder, Owner, ARK Protection Group

As a Senior Combat Training & Active Shooter Instructor, Ron had the privilege & honor of instructing over 1500 service members over the course of 5000 hours on close quarters battle, hostage rescue operations, small unit tactics, mass casualty situations, defensive tactics, Krav Maga, and Jiu-Jitsu.

After separating from the U.S Military, Ron transferred his skills to the private security sector as an Executive Protection Agent protecting political figures, artists, athletes, and high net worth clients. He provides risk mitigation to ensure the safety of VIP's and other individuals who may be exposed to elevated personal risk because of their employment, high-profile status, net worth, affiliations, or geographical location.

Let's Talk™: Please give us an overview of your company's capabilities.

Ron Gazboda: At ARK Protection Group, we understand the importance of feeling safe and secure in today's uncertain world. That's why we offer a comprehensive range of security services, including Executive Protection, Estate Security, Event Security, and Armored Vehicles For Sale. With ARK Protection Group by your side, you can live your lifestyle with confidence, knowing that our highly trained team is dedicated to keeping you safe.

Our Executive Protection Agents are the epitome of professionalism and expertise. They possess the skills and experience to operate seamlessly in the background, adapting to any setting, so as not to hinder your lifestyle. Our goal is to provide world-class protection while allowing you the freedom to focus on what matters most to you.

Our company also specializes in safeguarding private residents and estates. Our highly trained Estate Protection Agents possess expertise in mitigating risks to your person and privacy while maintaining the utmost discretion, thereby enabling you to uphold a normal lifestyle.

Regarding event security, we deliver specialized staffing solutions for high-profile events, after-hours gatherings, and supplemental support during periods of heightened security. These events encompass public hearings, sports events, large-scale conventions, and entertainment events.

Let's Talk™: We also understand that you provide armored vehicles (<https://www.arkprotectiongroup.com/armored-vehicles>) for your clients. Please tell us more.

Ron Gazboda: To mitigate the diverse threats facing our customers worldwide, ARK Protection Group has formed strategic partnerships with armored vehicle manufacturers, focusing on technological innovation, design excellence, and stringent quality management. Our armored vehicles offer superior security and protection.

Let's Talk™: The Advanced Certifications of your team at ARK which include

- Nationally Registered Paramedics
- Special Forces 18D/Medic
- Advanced Cardiac Life Support
- Pediatric Advanced Life Support
- Prehospital Trauma Life Support
- Neonatal Resuscitation Program
- Explosive Ordinance Disposal Team
- K9 Explosive Detection Team

...we think is, singularly unique, among other firms in your space. What is your perspective, Ron, regarding why your firm is different from the others?

Ron Gazboda: We set ourselves apart through our commitment to quality over quantity. Our

team consists of combat veterans, Tier 1 Operators, special operations forces, SWAT officers, and highly experienced security contractors. We have a highly selective recruitment process. Our Agents are handpicked, with each one highly recommended by our team members. Each member brings a unique capability, comparable to a SWAT, Special Forces ODA or a Seal Team.

Let's Talk™: We understand that you were quite busy in Washington D.C. during the inauguration of President Trump. Without divulging any confidential information, of course, can you share some of your responsibilities during that time?

Ron Gazboda: During the week of the inauguration, our team provided PSD operations for Mr. Ramaswamy and his family. We collaborated with Secret Service, ATF, FBI, National Guard, and numerous law enforcement agencies daily to ensure secure movement throughout Washington D.C.

Let's Talk™: Any other recent projects or testimonials you'd like to mention?

Ron Gazboda: We are currently developing a unique PSD course that provides exceptional training within a condensed, manageable timeframe. Given the demands of our typical schedules, we recognize the importance of efficient time management. This course will encompass PSD operations both domestically and internationally. By pushing the boundaries of your usual capabilities, this course ensures that upon completion, you will feel confident in your skill set.

Let's Talk™: Are you also engaged with training?

Ron Gazboda: Training is where we set ourselves apart from our competitors, providing a multifaceted approach that combines physical, tactical, and mindset training. We partner with industry experts to provide specialized training on various topics, ensuring our team operates at peak performance. Additionally, we place a strong emphasis on physical fitness standards, recognizing the critical role health and wellness play in on-shift capability.
