

Fraud Fight Club 2 Showcases a Curated Lineup of Sponsors to Focus on What Matters

A curated sponsor lineup ensures Fraud Fight Club 2 stays focused on real fraud-fighting insights—no endless booths, no sales pitches, just action.

CHARLOTTE, NC, UNITED STATES, March 13, 2025 /EINPresswire.com/ -- Fraud Fight Club 2 isn't your typical conference—and that's exactly why the fraud-fighting community keeps coming back. When 400+ fraud experts from banks, credit unions, fintechs, and payment providers gather in Charlotte on April 1-2, 2025, they won't be wading through endless sponsor booths or sitting through sales pitches. Instead, they'll be deep in real conversations, hands-on sessions, and, yes, some good old-fashioned fraud-fighting fun.

But don't mistake the informal vibe for a lack of serious industry backing. Fraud Fight Club 2 is proudly sponsored by a curated group of leading fraud prevention companies, including Visa, Feedzai, Quavo, TransUnion, DataVisor, Arkose Labs, Mitek, Inscribe, Unit21, Prove, Entersekt, Persona, KPMG, and Innovis.

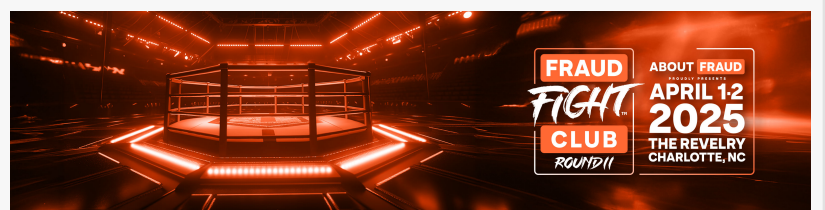

What's on offer at Fraud Fight Club 2.

Fraud Fight Club's Logo

Unlike other industry events that can feel like a sponsor free-for-all, Fraud Fight Club 2 keeps the sponsor count low on purpose—just enough to prove industry support, but not so many that

attendees feel bombarded. Instead of flashy booths, the focus is on meaningful conversations and practical insights that attendees can actually use.
