Impact Through Zoom-a-Thon and Celebrity Support on March 16

"The response from our 2024 Zoom-a-Thon was a great success. We are bringing the Zoom-a-Thon back on Sunday, March 16 at 6 pm CST with Actors Miguel A. Nunez, Jr, Omar Gooding, Music Artist Anthony Hamilton, and more to virtually talk about how the Amazing Love Movement has impacted their lives and to hear 70-seconds of testimony to people who log in," said Apostle Scott. To participate, click the [Zoom-a-Thon form](#) to complete a form to secure your time slot or scan the QR code on the flyer to claim your moment and spread the message of faith, hope, and love. Slot times are limited.

A Mission of Love and Transformation

"Our mission is to restore the focus of every community back to the amazing, unconditional love of God by forging partnerships and encouraging community engagement that can spark changes across the nation," said Apostle Scott.

Through hands-on engagement and community partnerships with organizations like the NBA's New Orleans Pelicans and the NFL's New Orleans Saints, the movement is driving real change. One of its signature initiatives, the 'His Love is Amazing' T-shirt campaign, has become a powerful symbol of faith and unity.

The movement's outreach has transformed countless lives, including more than 24,000 former inmates who have received 'His Love is Amazing' T-shirts—a reminder that God's love remains unwavering. These shirts do more than spread a message; they serve as tickets to exclusive experiences, such as NBA games, as part of the movement's outreach programs.
