

Indus Hospital & Health Network Achieves Major Impact Through Ramazan Campaign 2025

KARACHI, SINDH, PAKISTAN, March 12, 2025

[/EINPresswire.com/](#) -- As Ramazan comes to an end, [Indus Hospital & Health Network \(IHHN\)](#) is proud to report extraordinary outcomes from its [Ramazan Campaign 2025](#), reflecting a significant increase in awareness, engagement, and [donations](#). The overwhelming support received throughout the month has strengthened IHHN's mission to deliver free healthcare to those in need across Pakistan.

Utilizing Google News, Yahoo, Bing, Ask, and over 400 print and digital media platforms, the campaign successfully reached millions of people—educating them on fasting health guidelines, the importance of community support, and the impact of charitable giving. The result was a remarkable surge in community participation and donations, directly supporting critical treatments, emergency interventions, and specialized medical care for patients who would otherwise be unable to afford it.

Key Achievements of Ramazan Campaign 2025:

- Thousands of individuals contributed Zakat and Sadaqah, helping sustain IHHN's free healthcare model.
- Massive digital and print media outreach, ensuring widespread engagement across Pakistan.
- Strong corporate and community partnerships, leading to an increase in long-term commitments to support healthcare initiatives.
- A tangible increase in patient care funding, providing critical treatments and emergency medical aid to underprivileged patients.

The campaign's success has reaffirmed the power of collective action, proving that every contribution makes a lasting difference. As the campaign concludes, IHHN remains committed to expanding its healthcare services and continuing its mission to provide free, high-quality medical

care to those in need.
