longer need to juggle multiple financial providers. [True North](#) and [MyFranchise Bookkeeper](#) are expanding their offerings to include professional tax preparation services, delivering an all-in-one financial solution that integrates bookkeeping, financial reporting, tax planning, and tax preparation under one roof.

This new service is made possible through a strategic partnership with Virtual CPA LLC, led by Tanhan Hicks, a tax professional with 30 years of corporate tax experience. By combining bookkeeping and tax preparation into one seamless process, clients can ensure accuracy, compliance,

and proactive tax planning without the hassle of managing multiple service providers.

“For years, our clients have asked for tax services that integrate directly with our bookkeeping solutions,” said Charles Bailey, CEO of True North Holdings. “Now, through our partnership with Virtual CPA LLC, we can offer a smarter, more efficient way for businesses to manage their finances and taxes—without the stress of coordinating between different providers.”

## Key Benefits of the New Tax Services:

- Seamless Experience – Clients no longer need to coordinate between bookkeepers and tax professionals—everything is managed in one place.
- Fixed, Transparent Pricing – Business owners can choose between a one-time flat fee or a monthly bundled payment plan for convenience.
- Tax Optimization – Expert tax planning and preparation help minimize liabilities and maximize savings.
- Year-Round Support – Integrated bookkeeping and tax services ensure compliance, proactive

financial planning, and fewer surprises at tax time.

This service is now available to all True North and MyFranchise Bookkeeper clients. Business owners looking for a stress-free tax season can contact the company today to learn more.
