

# SandStone Insurance Partners & YourMedPlan Announce Donations to Bay Area Pregnancy Center & Feeding Tampa Bay

---

*Through employee-driven giving, Florida insurance brokers contribute to local nonprofits dedicated to providing resources to those in need.*

CLEARWATER, FL, UNITED STATES, March 12, 2025 /EINPresswire.com/ -- [SandStone Insurance Partners](#) and [YourMedPlan](#) are proud to announce their charitable donations to Bay Area Pregnancy Center and Feeding Tampa Bay as part of the 2023 & 2024 SandStone Employee/Employer Match Donations program. Each organization will receive a donation to support ongoing efforts to serve the local Tampa Bay community.

The SandStone Employee/Employer Match Donation program reflects the company's commitment to giving back by matching employee contributions to employee-nominated organizations that align with its mission of strengthening communities. By supporting these nonprofit organizations, SandStone Insurance Partners and YourMedPlan continue to demonstrate their dedication to making a meaningful impact beyond the insurance industry.

"Community well-being is at the heart of what we do at SandStone Insurance Partners and YourMedPlan," said John Jassmann, CEO. "Providing insurance protection is just one part of the equation. Supporting organizations that make a tangible difference, like Bay Area Pregnancy Center and Feeding Tampa Bay, is another. We are honored to give back to these charitable causes."

Bay Area Pregnancy Center offers vital resources, counseling, and support to expecting mothers and families facing unplanned pregnancies. Through education, medical services, and material assistance, the organization equips individuals with the guidance and care necessary to make informed decisions and create a stable future.

Feeding Tampa Bay leads the fight against hunger by distributing millions of meals each year to individuals and families across West Central Florida. Through meal programs, disaster relief efforts, and long-term hunger solutions, Feeding Tampa Bay provides critical support as

economic challenges and rising living costs make food insecurity a growing concern.

“As experienced [Florida insurance brokers](#), we recognize that protection for our community isn’t just about insurance; it’s about ensuring families and individuals have access to the resources they need,” said Charlie Robinson, President of SandStone Insurance Partners. “Through our employee-driven giving initiative, we have the opportunity to come together as a team and support organizations that are making a visible impact in Tampa Bay.”

SandStone Insurance Partners and YourMedPlan are committed to protecting clients with comprehensive insurance solutions and investing in the communities they serve. The company’s charitable efforts align with its core values of helping individuals and businesses achieve financial security and peace of mind.
