“We are beyond grateful to be launching the Master Mentors Program with some of the most talented tattoo artists on the planet,” shares Paul-Anthony Surdi, Founder of Ink Different, “who are also committed to contributing to the next generation of amazing artists.”

The Master Mentorship Program was created to give tattoo apprentices the chance to learn directly from iconic Tattoo Artists whose work has shaped the industry. These

mentors bring decades of experience, artistic innovation, star power, and professional insight into everyday life, giving tattoo apprentices technical skills and the mindset and business knowledge needed to thrive as Tattoo Artists.

“These Master Mentors will be accepting one to three apprentices a year, so the competition will be intense,” shares Paul-Anthony.

Meet the Master Mentors

The first wave of Master Mentors includes some of the most respected names in tattooing, including [Liz Cook](#), Jordi Pla, Joey Tattoo, Crush Captain, Gabe Jaksich, Robbie Ripoll, and Ryan Eternal.
