

Plus Manufacturing, Inc. Renews Green Seal® Certification for Soap Free Procyon® Multi-Purpose Cleaner & Degreaser

Since its initial Green Seal® Certification in 2008, the Soap Free Procyon® Multi-Purpose Cleaner & Degreaser continues to lead in environmental stewardship.

SPOKANE, WA, UNITED STATES, March 12, 2025

/EINPresswire.com/ -- Plus Manufacturing, Inc., a pioneer in eco-friendly cleaning solutions, proudly announces the renewal of [Green Seal®](#) Certification for its [Soap Free Procyon® Multi-Purpose Cleaner & Degreaser](#). This continued recognition underscores the company's enduring dedication to sustainable and premium cleaning products.

The Green Seal® Certification, under "GS-37 Edition 7.9 Cleaning Products for Industrial and Institutional Use," validates the product's ongoing compliance with rigorous environmental and health standards. This certification ensures customers can rely on both the product's effectiveness and its minimal environmental footprint.

"As we enter 2025, our renewed Green Seal® Certification represents our unwavering commitment to providing cleaning solutions that protect both our customers and our planet," states Jonathan Pearlstein, Vice President of Plus Manufacturing. "In today's climate-conscious world, we're proud to offer products that combine superior cleaning power with environmental responsibility."

"The cleaning industry continues to evolve, and we're staying at the forefront of sustainable innovation," Pearlstein adds. "Our 2025 formulation maintains our high standards while adapting to emerging environmental challenges."

Since its initial Green Seal® Certification in 2008, the Soap Free Procyon® Multi-Purpose Cleaner & Degreaser continues to lead in environmental stewardship. The product maintains its chemical-free formulation, excluding per- and polyfluoroalkyl substances (PFAS) and volatile
