## CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This press release contains forward-looking information or forward-looking statements under applicable Canadian securities laws (collectively, "forward-looking statements"). All information that addresses activities or developments that we expect to occur in the future are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect", "likely" and "intend" and statements that an event or result "may", "will", "should", "could" or "might" occur or be achieved and other similar expressions.

Forward looking statements are based on the estimates and opinions of management on the date the statements are made. In the press release, such forward-looking statements include, but are not limited to, statements regarding the Company's performance, business objectives

and milestones; and the use of funds from the Private Placement.

Forward-looking statements are based on assumptions that may prove to be incorrect, including but not limited to the ability of the Company to continue as a going concern; and the ability of the Company to use the funds from the Private Placement as intended.

The above list of forward-looking statements and assumptions are not exhaustive. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated or implied by such forward-looking statements due to a number of factors and risks. These include: the inability of the Company to use the funds from the Private Placement for their intended purposes; and the Company's ability to continue as a going concern.

Any forward-looking statements included in this press release is made as of the date of this press release and is based on the beliefs, estimates, expectations and opinions of management on the date such forward-looking information is made. The Company does not undertake any obligation to update forward-looking statements, except as required by applicable securities laws. Investors should not place undue reliance on forward-looking statements. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement.
