

Giants Hit It Out of the Park for Medically Complex Children at Spring Training Event in Scottsdale

A day of baseball joy and community support highlights Arizona's Family LHA program and Team Select's pediatric home care mission.

SCOTTSDALE, AZ, UNITED STATES, March 13, 2025 /EINPresswire.com/ -- The San Francisco Giants opened their Spring Training Facility in Scottsdale for a special day of baseball, food, and community, welcoming medically complex children and their families served by [Team Select Home Care](#).

Thanks to the Giants' generosity and community spirit, families enjoyed a behind-the-scenes tour, met players, and experienced the joy of baseball in an inclusive and welcoming

environment. Adding to the excitement, Delaware North, the official food service provider for the Spring Training campus, treated families to an authentic ballpark meal, featuring hot dogs and all the classic fixings.

This heartwarming event also served to highlight Arizona's Family Licensed Health Aide (LHA) program, a transformative initiative that empowers parents to become trained, licensed caregivers for their medically complex children—while also receiving compensation.

As families across the country face challenges due to the nationwide nursing shortage, this innovative program provides a proven solution, ensuring children receive the skilled, in-home care they need while allowing families to stay together.

with policymakers and healthcare leaders to expand the program into more states. Arizona is one of the most recent states to adopt this family-first approach, making a life-changing impact for children with complex medical needs.

Community Support That Makes a Difference

“This event was about more than just baseball—it was about celebrating the incredible strength of our families and the power of community support to ensure these children receive the care they deserve,” said Fred Johnson, President and CEO of Team Select Home Care. “The Giants and Delaware North truly demonstrated what it means to step up and make a difference.”

As a leader in pediatric home healthcare, Team Select Home Care specializes in skilled nursing for medically fragile children. With a deep commitment to advocating for sustainable home care solutions, Team Select continues to champion programs like Family LHA, ensuring more families gain access to the care and resources they need.

A Grand Slam for Medically Complex Children

For the families in attendance, the event was a rare opportunity to experience joy, connection, and inclusion—a day that will be remembered long after the final pitch.
