Helvetic Clinics, renowned as the "[Best Dental Clinic](#) in Hungary and probably in Europe" by many of its patients, is proud to announce a record-breaking year in 2024. Anticipating continued growth, Helvetic Clinics increased its capacity by 30% at the beginning of 2024 with the addition of four new dental chairs. "We are delighted to have concluded 2024 with such exceptional results," said Jean-François Empain, Founder. "The increasing number of Irish patients choosing Helvetic Clinics is a testament to our commitment to providing world-class dental care at prices significantly lower than those typically found in Ireland.
