Home Care Solutions, a trusted provider of in-home care services, is proud to announce its 10th anniversary serving the Northwest Ohio community. Founded in 2014 by Paula and Clayton, Arista has grown from a small, home-based business to a leading provider of personalized care solutions, offering a compassionate and reliable "alternative to a place for mom" because the best place for mom is home.

A Decade of Dedication to Quality In-Home Care

Arista's journey began with a personal mission to provide exceptional care and support to seniors and their families. Over the past decade, the company has expanded its services to include skilled nursing, therapy, non-emergency medical transportation, and specialized care for individuals with developmental disabilities.

"We are incredibly grateful for the trust our clients and their families have placed in us over the past 10 years," says Paula Birney, Co-Founder and Administrator of Arista Home Care Solutions. "Our team is dedicated to providing compassionate, personalized care that allows individuals to remain safely and comfortably in their homes, surrounded by their loved ones."

Clayton Birney, Co-Founder and President of Arista, adds, "We believe that everyone deserves to age with dignity and grace, and we are committed to providing the support and services that make that possible."

CareConnect: Expanding the "Alternative to a Place for Mom"

In 2021, Arista launched CareConnect, a new division dedicated to managing private pay and DODD clients. CareConnect provides personalized care plans and support services that enable individuals to live independently in their own homes. This expansion of services further solidifies Arista's position as a leading provider of "alternatives to a place for mom" in Northwest Ohio.

Deep Roots in the Community

Both Paula and Clayton are actively involved in the Northwest Ohio community, demonstrating their commitment to improving the lives of seniors and their families. Clayton serves as board president of The Northwest Ohio Gerontological Association and has led the Monroe County Walk to End Alzheimer's. Paula is the President-Elect of the Rotary Club of Maumee, an active member of HerHub (Women of Toledo) and the Northwest Ohio Chapter of Medical Assisting, and a Community Educator with the Northwest Ohio Chapter of the Alzheimer's Association.
