## About Benjamin Gordon

Benjamin Gordon is a distinguished leader in the supply chain sector, with a career spanning over two decades. As the founder of Cambridge Capital, a private equity firm specializing in supply chain technology and services, Gordon has played a pivotal role in identifying and nurturing innovative companies that are transforming the logistics landscape. His strategic vision has led to successful investments in companies such as XPO Logistics, Grand Junction, and Bringg.

Beyond his investment endeavors, Gordon is deeply committed to education and professional development within the supply chain industry. By establishing the [Benjamin Gordon Cambridge Capital Scholarship](#), he seeks to inspire and support students who are passionate about making a difference in this dynamic field.

## Addressing the Growing Demand for Supply Chain Professionals

The global supply chain industry has faced unprecedented challenges and transformations in recent years. Events such as the COVID-19 pandemic, rapid technological advancements, and evolving consumer behaviors have underscored the critical importance of efficient and resilient supply chains. Consequently, there is an increasing demand for skilled professionals capable of navigating these complexities and driving innovation.

The [Benjamin Gordon Cambridge Capital](#) Scholarship recognizes this need and aims to empower students who are eager to contribute to the supply chain sector. By providing financial support, the scholarship enables recipients to focus on their studies and develop the skills necessary to excel in this ever-evolving industry.

### Scholarship Details and Eligibility

The Benjamin Gordon Cambridge Capital Scholarship is open to students currently enrolled in accredited colleges or universities in the United States. Applicants must demonstrate a strong interest in supply chain management, logistics, or a related field. The scholarship awards \$1,000 to the selected student to assist with tuition and educational expenses.

To apply, students are required to submit an essay of 700-850 words addressing the following topic:

"Describe an issue in the supply chain industry and propose a solution to address it."

Applicants are encouraged to showcase their understanding of current challenges in the supply chain sector and present innovative ideas that could lead to meaningful improvements. The scholarship committee will evaluate essays based on originality, feasibility, and the potential impact of the proposed solutions.

### Application Deadline

All application materials must be submitted no later than May 31, 2025. Applicants are advised to ensure that all required information is provided and that submissions are made before the deadline to be considered for the scholarship. The winner will be announced on June 5, 2025, and notified via email. The announcement will also be made on the scholarship's official website.

### Application Process
