

Brooks Pediatric Dentistry & Orthodontics Launches FOREVERSMILE, a Retainer Assurance Program

Introducing a groundbreaking initiative to ensure lasting smiles for orthodontic patients with the new FOREVERSMILE program.

SAN ANTONIO, TX, UNITED STATES, March 13, 2025 /EINPresswire.com/ -- [Brooks Pediatric Dentistry & Orthodontics](#), a trusted provider of pediatric dental and orthodontic care in San Antonio, is excited to announce the launch of [FOREVERSMILE, a retainer assurance program](#). This innovative program is designed to support orthodontic patients in maintaining their perfectly aligned smiles long after their braces come off.

Brooks Pediatric Dentistry & Orthodontics

Program Details: FOREVERSMILE offers patients a lifelong guarantee on their orthodontic retainers, ensuring that their teeth remain straight and beautiful for years to come. Under this program, patients will receive replacement retainers at a minimal cost, should they ever lose or damage their original set. This initiative is part of Brooks Pediatric Dentistry & Orthodontics' commitment to long-term dental health and patient satisfaction.

Why Retainers are Important: Post-orthodontic treatment, retainers are crucial for maintaining the position of newly straightened teeth. Without them, teeth can gradually shift back to their original positions, undoing years of orthodontic work. FOREVERSMILE ensures that all patients have access to high-quality retainers to preserve their orthodontic results.

A Word from Dr. Noor Mansouri: "Our goal at Brooks Pediatric Dentistry & Orthodontics is not just to create beautiful smiles, but to ensure these smiles last a lifetime," said Dr. Noor Mansouri, Board Certified Orthodontist at the clinic. "FOREVERSMILE is a testament to our dedication to our patients' long-term well-being. We believe that everyone deserves to have a forever smile, and with this program, we're making it easier and more affordable than ever."

How to Enroll in FOREVERSMILE: Enrollment in FOREVERSMILE is available to all orthodontic patients at Brooks Pediatric Dentistry & Orthodontics at the time of their braces removal. For more details on enrollment and program benefits, interested parties are encouraged to visit the Orthodontics page on our website or contact the clinic directly.

Looking Ahead: With the launch of FOREVERSMILE, Brooks Pediatric Dentistry & Orthodontics continues to lead the way in innovative dental care solutions. The practice remains committed to enhancing its services and ensuring that every patient receives the highest standard of care throughout their dental journey.
