Jay Peet joins Peak 1031 Exchange as VP of Business Development, bringing 20+ years of expertise in tax-deferred exchanges and real estate transactions.

LOS ANGELES, CA, UNITED STATES, March 17, 2025 /EINPresswire.com/ -- [Peak 1031 Exchange, Inc.](#), a leading qualified intermediary for [1031 tax-deferred exchanges](#), is proud to announce the addition of Jay Peet as Vice President of Business Development. With over 20 years of experience in real estate and a proven track record as a Certified 1031 Exchange Specialist, Jay brings deep expertise and strategic insight to the firm as it continues to expand while maintaining its reputation for exceptional client service.

Jay's experience and deep understanding of 1031 exchanges make him an invaluable addition to Peak 1031 Exchange. His leadership will strengthen our position in the industry."
Kevin M. Levine, Executive Vice President & Principal

Throughout his career, Jay has advised clients on 1031 exchange strategies and has played a pivotal role in helping taxpayers defer capital gains taxes on over \$1

billion in real property transactions. His extensive background includes working for the nation's largest title insurance company, where he developed a keen ability to identify and resolve title issues, ensuring seamless transactions for buyers and sellers.

"Jay's experience and deep understanding of 1031 exchanges make him an invaluable addition to Peak 1031 Exchange," said Kevin M. Levine, Executive Vice President & Principal. "His track record of success in guiding investors, real estate professionals, CPAs, and attorneys through the complexities of tax-deferred exchanges aligns perfectly with our mission to provide top-tier service and expertise to our clients. As we continue to grow, Jay's leadership will play a crucial role in further strengthening our position as a trusted resource in the 1031 exchange industry."

At Peak 1031 Exchange, Jay will focus on business development, client advisory, and educational outreach, helping investors structure simultaneous, delayed, reverse, built-to-suit, and combination 1031 exchanges in compliance with IRS safe harbor guidelines.

Jay's addition underscores Peak 1031 Exchange's ongoing commitment to excellence—ensuring that real estate investors receive expert guidance and personalized support as they navigate tax-deferral strategies.
