ENABLING CONTINUOUS LEARNING ON A GLOBAL SCALE

The partnership with Suada further strengthens Adaptovate’s ability to deliver sustainable business agility and workforce transformation solutions at a global scale.

“This partnership propels Adaptovate into the next frontier of workforce transformation,” said Alex Rebkowski, Co-Founder of Adaptovate. “With Suada’s forward-thinking learning solutions, we’re uniquely positioned to accelerate business agility and continuous learning on a global scale.

This alliance will empower organisations worldwide—whether startups or multinational corporations—to seamlessly scale workforce transformation through cutting-edge, adaptable training solutions.”

AT SCALE DELIVERY OF LEARNING ALIGNED TO BUSINESS OUTCOMES

Through this collaboration, clients of Adaptovate will benefit from:

- Maximised Learning Retention – Leveraging behavioural science and inclusive, neurodivergent-friendly methodologies to embed lasting knowledge through innovative techniques like “teach-back” methods.
- Scalable & Adaptive Training Solutions – Flexible options across in-person, virtual, and self-paced formats, ensuring rapid upskilling with minimal disruption to business operations.
- Enhanced Business Agility – Aligning learning outcomes with strategic business objectives to

drive digital transformation and accelerate agile adoption.

“The partnership with Adaptovate unlocks new opportunities to redefine how organisations build, sustain, and scale agility,” said David Thomson, CEO & Founder of Suada. “By leveraging cloud-based learning platforms and AI-driven customisation, Suada’s solutions can scale seamlessly, reaching thousands of employees across multiple regions with tailored learning pathways.”

A VISION FOR FUTURE TRANSFORMATION

This collaboration marks a new era in workforce training—one where businesses can deploy, adapt, and scale learning solutions at an unprecedented pace, ensuring every employee, no matter their location, has access to world-class development opportunities.
