

# DEVELOP LLC to Showcase Cutting-Edge Automation Solutions at Major Trade Shows in 2025

VERONA, WI, UNITED STATES, March 14, 2025 /EINPresswire.com/ -- DEVELOP LLC, a leading [automation integrator](#) specializing in custom industrial [automation solutions](#), is excited to announce its participation in three major trade shows in 2025: ProMat 2025, Automate 2025, and MD&M Minneapolis. The company will be showcasing its innovative automation technologies and expertise, designed to help businesses across various industries optimize their manufacturing processes and achieve new levels of efficiency and productivity.

Team DEVELOP, helping manufacturer's grow their business

"We're thrilled to connect with industry leaders, potential customers, and partners at these premier events," says Matt Moseman, CEO of DEVELOP LLC. "Our team is eager to demonstrate how our custom automation services can address critical manufacturing challenges, improve profitability, and contribute to a more sustainable future."

To ensure attendees are well-prepared to make the most of their time at the shows, the team at DEVELOP have compiled a helpful resource with the in-depth guide, ['Tips for Attending an Automation Trade Show and the Quote Process'](#).

## DEVELOP's Trade Show Lineup

ProMat 2025 (March 17-20, McCormick Place, Chicago, IL): At ProMat, DEVELOP will highlight its expertise in logistics and warehousing automation, showcasing solutions for material handling, order fulfillment, and inventory management. Attendees can expect to see demonstrations of advanced robotics solutions designed to improve warehouse operations and boost efficiency. They can be found at Booth N6065.

Automate 2025 (May 12-15, Huntington Place, Detroit, MI): Automate will provide a platform for

DEVELOP to showcase its comprehensive range of automation solutions across diverse industries. From robotic assembly and machine vision systems to advanced PLC programming and turnkey automation solutions, DEVELOP will demonstrate its ability to design and implement custom solutions tailored to specific manufacturing needs. Attendees can engage with DEVELOP's experts to discuss their unique challenges and explore how automation can transform their operations at Booth 300.

MD&M Minneapolis (October 21-23, Minneapolis Convention Center, Minneapolis, MN): At MD&M Minneapolis, DEVELOP will focus on its expertise in medical device and manufacturing automation. The company will showcase solutions for precision assembly, quality control, and packaging automation, highlighting its ability to meet the stringent requirements of the medical device industry. Attendees can learn how DEVELOP's automation solutions can improve product quality, reduce costs, and accelerate time-to-market for medical devices. Booth TBD.

### Beyond the Booth

In addition to showcasing its solutions, DEVELOP LLC will actively engage with attendees through interactive demonstrations, presentations, and one-on-one consultations. The company's experts will be available to answer questions, discuss specific automation challenges, and provide insights on how to use automation for business growth and sustainability.

### About DEVELOP LLC

DEVELOP LLC is a leading automation integrator based in Wisconsin, delivering custom industrial automation solutions that transform manufacturing processes. Founded in 2014, DEVELOP LLC is committed to helping businesses achieve increased efficiency, improved quality, and enhanced profitability through automated manufacturing.
