

# Artists' Open Studios Returns to Maryland April 5-6, 2025

*A great opportunity to meet local artists, visit their art studios and buy artwork to refresh your walls for the Spring!*

ANNAPOLIS, MD, UNITED STATES, March 18, 2025 /EINPresswire.com/ -- Ever wanted to peek behind the curtain and see an actual artist's studio? Well, here's your opportunity – and an easy drive for those in the DMV area.

Artists across the state of Maryland will be opening up their studios for you to visit on April 5-6, 2025 (10:00am-5:00pm both days – unless otherwise noted on website). Painters, jewelers, pottery makers and more! This renewed effort, in its infancy, is FREE and an opportunity for the public to get to know local artists, visit art studios, and see and purchase artwork. And it's free!

“

Our goal is to connect art lovers and collectors directly with the incredible artists located in Maryland. Grab some friends and make a weekend of it!”

*Jen Sterling, Executive Director, Artist Open Studios*

The overall event was created and is managed by Artist Open Studios, Inc. a not for profit 501(c)3 run by volunteer artists. Each location is hosted by the individual participating artist.

Our goal is to foster community and connection among our participating [2025 artists](#), current collectors, create new lovers of art, and to showcase the amazing depth of breadth of talent we have across the state.

Inviting the public into our studios allows participants to learn more about our creative processes and provide an inspiring and enriching experience for everyone. Additional goals are to:

(1) take some of the “mystery” out of collecting art - by showing how easy, fun, and affordable it is to do so

(2) create deeper relationships between artists and the community as well as within the MD

artist community

(3) help all MD artists showcase - and market - their incredible work!

Please visit our website to create a plan to visit some extraordinary artists in Maryland.

<http://www.artistopenstudios.com> You will find all of our participating artists and view [our map](#) to plan your visit. Our website is constantly updated so please keep an eye on additions closer to the event weekend.

We can't wait to welcome you into our studios!
