

Florida Mesothelioma Victims Center Urges the Family of a Former Plumber or HVAC Tech with Mesothelioma or Lung Cancer in Florida to Call the Gori Law Firm-Expect the Best Possible Compensation Results

MIAMI , FL, UNITED STATES, March 18, 2025

[/EINPresswire.com/](https://EINPresswire.com/) -- The Florida Mesothelioma Victims Center is urging the family of a plumber or HVAC technician who has just been diagnosed with mesothelioma or lung cancer anywhere in Florida to please call the remarkable legal team at the Gori Law Firm anytime at 866-532-2106. The group wants to emphasize that most people who will develop mesothelioma or lung cancer because of workplace exposure to asbestos never get properly compensated, because they did not hire some of the nation's most skilled lawyers. The Gori Law Firm has an office in Orlando, and they are one of the nation's leading law firms for people with mesothelioma and asbestos exposure lung cancer.

The group says, "We are one of the nation's and Florida's top branded advocates for individuals who will develop mesothelioma or lung cancer because in most instances these people had workplace exposure to asbestos. Plumbers and or HVAC technicians in Florida probably had extraordinary exposure to asbestos-especially if they worked in these types of workplaces prior to the mid-1980s. Plumbers and in some instances HVAC technicians might still be at risk for exposure to asbestos in older residential and commercial buildings.

"If your husband or dad is a former plumber or HVAC technician and he has just been diagnosed with mesothelioma or lung cancer in Florida please call the Gori Law Firm at 866-532-2106. We are certain you will be glad you did." www.gorilaw.com

Suggestions from the Florida Mesothelioma Victims Center for people with mesothelioma or asbestos exposure lung cancer in Florida or nationwide on how to increase potential financial compensation:

* "Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.

* "Do you recall the names of coworkers who might have witnessed your exposure to asbestos?"
