those in need of rehabilitation and nursing care.

Supporting Veterans is deeply ingrained in the values of CareRite Centers. The organization goes above and beyond to honor Veterans year-round, ensuring that their sacrifices are recognized and appreciated. This commitment is seen through their "Pie Day" tradition, a heartfelt initiative in which over 3,000 pies were distributed to Veterans across various communities, including VA hospitals, VFW posts, senior centers, and CareRite locations in 2024 alone. The pies are a small token of gratitude in preparation of the upcoming holiday season, offered to both in-house Veterans and those in the local communities, as well as surviving spouses, to honor their service.
