Interview with Alessandra Esteves, DipWSET, Co-Founder and Director of Wine Education

Why should students choose Florida Wine Academy over other WSET providers?

Alessandra Esteves: Florida Wine Academy is the most established and experienced WSET provider in Florida. We've been educating students since 2016, with instructors who are among the most qualified in the country. Many of our educators are Master of Wine Candidates, bringing insight and expertise that other providers simply don't have.

How does Florida Wine Academy ensure a superior learning experience?

AE: We focus on small class sizes, hands-on tastings, and in-depth discussions. Our classes are designed to be interactive, engaging, and structured for both beginners and professionals. Whether you're looking to enter the wine industry or simply expand your knowledge, we provide the best education available in Florida.

What's next for Florida Wine Academy?

AE: We are constantly expanding! By offering WSET courses in more cities, we are making wine education more accessible to students across Florida. In addition, we are developing new events, tastings, and masterclasses to continue being the top wine education institution in the state.
