Dr Linda Pajoel Interview With CTV News Kitchener

"Stock Market Mama isn't just about investing—it's about equipping women with the financial independence they need to navigate motherhood and career transitions without fear," said Dr. Pajoel during her CTV News interview. "Too many women experience income setbacks due to maternity leave or caregiving responsibilities. This book is a roadmap to building sustainable wealth and financial confidence."

“

If I had known earlier what I now teach in this book, I would have invested more aggressively before my first child”

Dr Linda Pajoel

About *Stock Market Mama*:

Dr. Linda's book, *Stock Market Mama*, offers a fresh

perspective on financial security, especially for working women who would need to balance career and starting a family soon. The book challenges the traditional mindset of saving alone and advocates for active stock investing as a long-term wealth-building strategy. Through real-life experiences and practical strategies, Dr. Linda shows women how to take control of their financial futures, ensuring they have the resources to thrive through different life stages.

"Financial security shouldn't be an afterthought—it should be a priority for every working woman," Dr. Linda shared.
