“

I wanted to tell a story that was engaging from the beginning -- to keep people on the edge of their seat, and filled with suspense and twists that would lure them back to watch it again and again.”

psychological suspense-thriller LOST JOY, which is now available to rent/own on all North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting March 18, 2025.

LOST JOY tells the story of Jane and Jon -- a couple trying to repair their strained relationship while staying in a remote cabin in the woods. They face growing tension as Jane experiences strange visions and sounds that Jon can't see. When a mysterious man named Jack arrives and claims to share her visions while questioning the integrity of her relationship, Jane is left questioning reality and who she

can trust--leaving her trapped in a web of uncertainty until the truth is revealed.

Directed by Jordan Laemmlen, LOST JOY was written by Winter Bassett and Jordan Laemmlen and produced by Winter Bassett, Jordan Laemmlen, Joanna Fang, Annet McCroskey, and Alexander Stavrou. The featured cast includes Winter Bassett ('Jane') Vincent Catalina ('Jon') Jordan Laemmlen ('Jack'), and Alexander Stavrou ('Repairman').

“I'm a firm believer in authentic storytelling, drawing from my mind's eye, penning it to paper, then putting it into action,” said filmmaker Jordan Laemmlen. “That's exactly how LOST JOY came to be. I had a location which inspired a vision, assembled a team which evoked passion, and together we made a movie. I wanted to tell a story that was engaging from the beginning and left the audience wanting more. Everything was designed to keep people on the edge of their seat, and filled with suspense and twists that would lure them back to watch it again and again. I'm proud of what we all achieved and am forever grateful to our entire cast and crew that made Lost Joy the amazing film that it is.”

Freestyle Digital Media negotiated the deal to acquire LOST JOY directly with the filmmakers and

Robert Enriquez of Red Baron Management/Films.
