

Mexico Bariatric Center® Deepens Commitment to New Zealand Patients with On-the-Ground Local Patient Advocates

Mexico Bariatric Center, the #1 provider of low-cost and high-quality weight loss surgery, adds New Zealand patient advocates to enhance patient support.

FOLSOM, CA, UNITED STATES, March 20, 2025 /EINPresswire.com/ -- [Mexico Bariatric Center®](#) (MBC), a leading provider of affordable and high-quality weight loss surgery to International

patients, today announced a significant expansion of its support network for New Zealand patients by welcoming Vanessa and Jasmin as their dedicated local patient advocates. This strategic move underscores MBC's commitment to providing comprehensive, personalized care to patients throughout their weight loss journey.

“

Mexico Bariatric Center in Tijuana, Mexico, offers weight loss and cosmetic surgeries with transparent, culturally sensitive care and long-term support for Māori and Pasifika communities,”

Ron Elli, Ph.D., Managing Director of Mexico Bariatric Center

“Mexico Bariatric Center in Tijuana, Mexico, offers weight loss and cosmetic surgeries with transparent, culturally sensitive care and long-term support for Māori and Pasifika communities,” said Ron Elli, Ph.D., Managing Director of Mexico Bariatric Center. “The growing interest from Kiwis stems from factors such as expedited access to surgery, cost-effectiveness, the expertise of our surgeons, and our comprehensive, all-inclusive packages.”

Recognizing international patients' unique challenges, particularly those traveling from New Zealand, MBC has

invested in establishing a strong local presence. Two of our past patients, Vanessa and Jasmin, are seasoned professionals with extensive experience in bariatric aftercare and patient support. They will serve as a vital link between MBC and its New Zealand patient community.

“Our patients' well-being is our top priority, and we understand the importance of providing continuous support, even after they return home,” added Ron. “By bringing Vanessa and Jasmin

on board, we're providing our New Zealand patients with direct access to local expertise and personalized assistance, ensuring they have the resources and encouragement they need to achieve lasting success."

Vanessa and Jasmin will serve as a dedicated point of contact for New Zealand patients, offering:

- Personalized Before/Aftercare Guidance: Providing tailored support and resources to address individual needs and challenges.
- Local Support Network Development: Facilitating connections with other MBC patients in New Zealand and building a supportive community.
- Direct Communication Bridge: Serving as a liaison between patients and MBC's medical team, ensuring seamless communication and addressing concerns promptly.
- Educational Resources and Workshops: Organizing local events and providing access to valuable information on nutrition, lifestyle changes, and long-term weight management.
- Group Travel Guide: Assisting patients in planning and navigating their journey to Tijuana for surgery.

"I am honored to join the Mexico Bariatric Center team and contribute to the success of their New Zealand patients," said Vanessa. "I am passionate about empowering individuals to achieve their health and wellness goals. I look forward to providing personalized support and guidance to help them navigate their weight loss journey."

MBC's comprehensive packages for New Zealand patients include:

- Pre-operative consultations and support
- State-of-the-art surgical procedures in accredited facilities
