Rooted in the four pillars of Love, Growth, Community, and Relationship, Built 4 This seeks to strengthen faith-based marriages, believing that strong marriages create strong families, strong families create strong communities, and strong communities have the power to create a better world.

We want to be part of the greatest transference of wealth while we are creating an impact on relationships. God is leading us to this mission, and virtuoverse is giving us a platform for it”

Shifting the Narrative on Marriage and Divorce
Despite a slight decline in overall divorce rates, the statistics remain alarming:

41% of first marriages, 60% of second marriages, and 73% of third marriages end in divorce.

In 2024, the U.S. divorce rate was 2.4 per 1,000 people, translating to 86 divorces per hour. (Source: Wilkinson & Finkbeiner Divorce and Family Law Practice - CA)

At Built 4 This, we are on a mission to change this narrative. Through faith-based mentorship, community support, and biblical teachings, we equip couples with the tools they need to fortify their love, deepen their commitment, and create lasting relationships.

A Love Story Rooted in Faith

Their passion is simple yet profound: helping couples build strong, Christ-centered relationships. Through mentorship, encouragement, and real-life wisdom, they guide couples to “Love like you mean it and date because you want to.”

Whether newlyweds, seasoned partners, or couples seeking to reignite their connection, Built 4 This is here to walk alongside them every step of the way.
