

Carr Legal Group Announces 2025 Scholarship Program to Support Beaufort County High School Seniors

Beaufort County law firm Carr Legal Group highlights distracted driving awareness while empowering future leaders with educational scholarships.

BEAUFORT, SC, UNITED STATES, March 18, 2025 /EINPresswire.com/ -- Carr Legal Group, [a personal injury law firm](#) in Beaufort County, SC, is proud to announce the launch of its [2025 Scholarship Program](#), aimed at supporting high school seniors in Beaufort County. The firm will award six \$1,000 scholarships to graduating students who demonstrate leadership, community involvement, and a commitment to raising awareness about critical issues such as [distracted driving](#).

Patrick W. Carr, Managing Attorney of Carr Legal Group

This scholarship program represents Carr Legal Group's dedication to its local community and the future of Beaufort County. In addition to financial support for higher education, the program emphasizes the importance of safe driving practices among young drivers — a cause closely aligned with the firm's work representing victims of car accidents.

"We believe that the youth of Beaufort County are the key to a brighter, safer future," said Patrick W. Carr, Managing Attorney at Carr Legal Group. "By empowering these students with the resources they need to succeed, we hope to not only help them achieve their dreams but also create advocates for safety on our roads. Distracted driving is a serious issue in our community, and we hope this program will inspire the next generation to take action."

The program encourages students to reflect on the impact of distracted driving and other dangerous behaviors on the road. This topic is particularly relevant given that distracted driving was a contributing factor in over 2,400 traffic collisions and 791 injuries in South Carolina from 2020 to mid-2024, according to data from the South Carolina Department of Public Safety.

Applicants are also encouraged to discuss a community service project or volunteer experience that impacted them in a positive way.

Students interested in applying for the Carr Legal Group Scholarship must submit their essays and supporting documents, including high school transcripts and teacher nominations, no later than May 1, 2025.

Applications can be submitted at CarrLegal.com/scholarship-overview, emailed to wendy@carrlegal.com, or sent to:

ATTN: 2025 Scholarship
1917 Lovejoy Street
Beaufort, SC 29902

The scholarship recipients will be announced at the 2024–2025 awards ceremonies at their respective high schools. Winning essays will also be shared with local leaders to further raise awareness about safe driving practices. Carr Legal Group looks forward to celebrating their achievements.
