

COVID19... SINS & VIRTUES FEATURE ANTHOLOGY FILM SHOT IN ISOLATION SET TO DROP ON MARCH 20, 2025

A Cinematic Reflection on the Pandemic's Darkest and Brightest Moments

LOS ANGELES, CA, UNITED STATES, March 18, 2025 /EINPresswire.com/ -- On March 20, 2025, five years after Los Angeles went into lockdown, the creators of the film will unveil a powerful

“

When Hollywood went dark, creativity ignited.

Filmmakers turned isolation into inspiration, capturing the essence of the pandemic using only tablets, cell phones, and ingenuity.”

Creator Alex Mendoza

exploration of human nature in crisis. COVID-19... Sins and Virtues, a feature-length anthology film, will drop on Vimeo following a festival run that earned four prestigious awards. Over fifty filmmakers participated on the picture, arguably, the largest creative cooperative gathered for one film project during the pandemic.

“When Hollywood went dark, creativity ignited,” said creator Alex Mendoza. “Filmmakers turned isolation into inspiration, capturing the essence of the pandemic using only tablets, cell phones, and ingenuity. COVID-19... Sins

and Virtues examines how the crisis forced us to confront our deepest flaws and greatest strengths.”

Each segment of the anthology explores a randomly assigned cardinal sin or virtue -fear and hope, greed and generosity, despair and resilience-revealing the raw emotions of an unprecedented time. The film, produced by Yeniffer Behrens (The Way Back, Grey's Anatomy), Alex Mendoza, and Mauricio Mendoza (Resurrection Blvd, Criminal Minds), serves as a visceral reminder of our shared journey through adversity.

With accolades including a Humanitarian Award and Best Anthology Film from festivals like the Idyllwild International Film Festival and the DTLA Film Festival, the project has resonated with audiences and critics alike.

Now, the public will have the chance to experience this unique cinematic reflection.

Join us in revisiting the trials of isolation and the triumphs of the human spirit, this time, with the

clarity of distance.
