moment of powerful symbolism, she used a visually striking metaphor to expose the three greatest barriers to decisive action:

Fear of making decisions – "It paralyzes our creative power!"

The illusion that holding on equals security – "True security only comes from the courage to change."

The ego that keeps us invisible – "Only those who choose to be seen become magnetic."

The impact was immediate: clarity, empowerment, and the undeniable realization that letting go of outdated fears is the only path forward.

Standing Ovations for a Visionary

The reaction was nothing short of extraordinary—thunderous applause, standing ovations, and an audience visibly transformed. Peggy Pleines didn't just deliver a keynote; she ignited a movement.
