

# Public Partners LLC Begins Licensing Process to Expand Asset Management Services in Florida

*Firm Takes Steps to Become a Licensed Real Estate Brokerage Specializing in Asset Management*

TAMPA, FL, UNITED STATES, March 19, 2025 /EINPresswire.com/ -- Public Partners LLC, a leading provider of [asset management](#) and real estate services, is pleased to announce that it has officially begun the licensing process to become a real estate brokerage in the state of Florida. This milestone marks an important step in the firm's expansion, allowing it to further enhance its asset management and commercial property oversight services for clients throughout the state.

Currently, Public Partners LLC plays a vital role in supporting the Department of the Air Force by providing program management and oversight services through the JLL Air Force Contract. The firm works closely with project owners and the Military Housing Office (MHO) to ensure the successful execution of real estate initiatives, facility operations, and asset management strategies. Public Partners LLC is committed to enhancing operational efficiency, ensuring regulatory compliance, and optimizing property management solutions in support of Air Force installations.

By obtaining a Florida real estate brokerage license, Public Partners LLC will strengthen its ability to provide comprehensive asset management solutions, ensuring that commercial property owners receive strategic oversight, operational efficiency, and financial optimization for their investments.

"Beginning the licensing process in Florida is a key part of our growth strategy," said Lorenzo Acevedo, Managing Principal. "This will allow us to further our mission of delivering high-quality asset management services that help property owners maximize their investments and navigate

Florida's evolving real estate landscape."

Public Partners LLC specializes in asset management for a variety of commercial properties, including office buildings, retail centers, industrial facilities, and mixed-use developments. The firm's expertise includes:

- Strategic asset management to enhance long-term property value
- Tenant relations and lease administration to ensure stability and retention
- Facility operations and maintenance oversight for compliance and efficiency
- Financial analysis and investment optimization to drive profitability

As the licensing process progresses, Public Partners LLC remains committed to excellence, industry best practices, and delivering customized asset management solutions tailored to the needs of commercial property owners.
