

Budget Horizons for the Public Sector Now Live in the SAP Store

READING, UNITED KINGDOM, March 19, 2025 /EINPresswire.com/ -- inveniolsi today announced that its [Budget Horizons solution](#) is now available on SAP® Store, the online marketplace for SAP and partner offerings.

“Having Budget Horizons included in the SAP Store is a huge achievement for our team who were persistent in building a solution that truly exceeds industry expectations. It’s also exciting to know that public sector organizations around the world will now have easy access to a financial tool that can take their business beyond the possibilities.” — Nader Tirandazi, CEO of inveniolsi.

Budget Horizons is a highly advanced, cloud-based budgeting solution built to improve how public sector organizations handle and manage their finances. It is designed to optimize financial planning by providing precise resource allocation and delivering a flexible, all-encompassing platform for different budgeting needs. Prioritizing accuracy and speed, this powerful system simplifies planning with customizable tools, promotes smarter decision-making, and creates a distinct advantage.

Budget Horizons is built on SAP Business Technology Platform (SAP BTP) with SAP Analytics Cloud and integrates seamlessly with SAP and non-SAP systems, providing you with the accuracy, scalability, and insight you need to make well-informed financial decisions quickly.

SAP Store, found at store.sap.com, delivers a simplified and connected digital customer experience for finding, trying, buying and renewing more than 2,300 solutions from SAP and its partners. There, customers can find the SAP solutions and SAP-validated solutions they need to grow their business. And for each purchase made through SAP Store, SAP will plant a tree.

inveniolsi is a partner in the SAP PartnerEdge® program. The SAP PartnerEdge program provides

the enablement tools, benefits and support to facilitate building high-quality, disruptive applications focused on specific business needs – quickly and cost-effectively.
