"You are missing out if you go anywhere else! I've never been treated so kindly at a nail salon. You never feel you are being talked about or judged, and that's one of the biggest complaints I've heard about most nail salons. Not here! They are 100% committed to customer service and you being happy with your nails. The atmosphere is the most comfortable, relaxing, and positive experience I've had getting my nails done. I can finally stop searching for a good nail tech/salon to go to. They don't rush you in and out, but they also don't take forever to get your service done. Thank you, Lucent!"

"This place was AMAZING. Staff was very friendly. I got a manicure and pedicure, and they both were great! When I was getting my manicure, I was unsure of ombré coloring, and they went as far as to do a sample nail to make sure I liked it. I'm so glad they did this because I ended up not liking my original idea and went with their recommendation. I walked out of there loving my manicure. This is an amazing place to go!"

"This was probably one of the best nail experiences I've ever had—super good quality, nice nail tech, clean environment, and amazing vibes, not to mention the nails look phenomenal."

"I was so impressed with this luxury experience! The staff here is very professional, talented, and warm. The shop was gorgeous, and the aesthetic was out of this world. I loved my pedicure so much, I will definitely be a repeat customer."

The Lucent Nail Lounge team consistently goes above and beyond to ensure beautiful nails for every customer, making it a deserving recipient of this prestigious award.
