

ANY.RUN Wins At Cybersecurity Excellence Awards 2025

DUBAI, DUBAI, UNITED ARAB EMIRATES, March 20, 2025 /EINPresswire.com/ -- [ANY.RUN](#), a company that develops cybersecurity solutions, such as an interactive sandbox for malware analysis and threat intelligence tools, announced its victory at Cybersecurity Excellence Awards 2025.

It's an annual competition for individuals and organizations in the field of information security. The award is held by a major online community Cybersecurity Insiders.

ANY.RUN's product came first in the threat intelligence solutions category.

The solution by ANY.RUN that was honored at the award is called TI Lookup. It's a search service for malware analysts that allows users to browse a constantly updated database with information on emerging threats. This helps research relevant malicious files and ensure a better security strategy in a time-saving way.
