Port Covington Marina offers deep-water access, floating docks, and a laid-back vibe in Baltimore Peninsula’s newest hotspot. Boaters can dock securely and enjoy easy access to waterfront dining, entertainment, and one of Baltimore’s most exciting up-and-coming neighborhoods.

Inner Harbor Marina sits right in the heart of downtown,

giving boaters a front-row seat to Baltimore’s best attractions, shopping, and dining. With top-tier amenities like 24-hour gated security, a fuel dock, and a boater’s lounge, it’s a go-to spot for both transient and annual boaters.

Clinton Street Boatel is a dream for boaters who love the water but not the hassle. This premier dry stack facility offers on-demand launches, secure storage, and a convenient fuel dock—making it easier than ever to get on the water when the mood strikes.

With the addition of these marinas, Latitude Marinas continues to build upon its reputation for exceptional marina management, elevating facilities to meet the highest standards of service, hospitality, and operational excellence. Latitude is not just about managing marinas, but creating destinations.
