

MindWaveDAO Team Unveils Token Progress, Exchange Listings and Compliance Achievements at Digital Asset Summit NYC 2025

Driving DeFi forward with verified smart contracts, regulatory compliance, and key exchange listings for the NILA Token.

NEW YORK, NY, UNITED STATES, March 21, 2025 /EINPresswire.com/ --

[MindWaveDAO](#) is proud to announce that the NILA team actively participated in the Digital Asset Summit 2025 held in New York City, where they engaged with institutional investors, blockchain pioneers, and regulatory experts to explore the evolving landscape of digital assets and global compliance frameworks.

Building on the momentum from the summit, the NILA team took the stage at Bitcoin Palooza NYC 2025 on March 19 to announce a significant milestone: the official listing of [NILA Tokens](#) on multiple cryptocurrency exchanges.

The team highlighted NILA Token's growing impact on decentralized finance (DeFi), emphasizing its role in advancing security, transparency, and regulatory readiness in the digital asset space. These principles remain core to MindWaveDAO's mission to align blockchain innovation with responsible growth.

In line with its commitment to industry best practices, MindWaveDAO has completed a comprehensive smart contract audit and obtained a legal opinion review for NILA Tokens. The verified smart contract has been published on BSC Scan, underlining the project's dedication to openness and long-term integrity.
