

TeraCrunch and All & Sundry Announce Strategic Partnership to Deliver Enhanced AI-Powered Workflow Solutions

Like-minded tech service companies partner to deliver tailored AI + Airtable solutions that boost enterprise productivity and workflow efficiency.

KANSAS CITY, KS, UNITED STATES, March 26, 2025 /EINPresswire.com/ -- TeraCrunch, the premier AI consulting and solutions provider known for delivering tailored, full-stack AI solutions, and All & Sundry, an industry-leading Airtable consultancy,

today announced a go-to-market partnership aimed at revolutionizing how enterprises leverage artificial intelligence (AI) and workflow optimization. This collaboration combines TeraCrunch's deep expertise in applied AI and All & Sundry's specialization in the Airtable app platform to co-consult for enterprise clients, bringing powerful, customized solutions to organizations seeking increased productivity and efficiency in the AI era.

“

Our partnership with All & Sundry represents a major step forward in our mission to deliver tailored, impactful AI solutions that directly address the unique workflow needs of our clients.”

Tapan Bhatt

“Our partnership with All & Sundry represents a major step forward in our mission to deliver tailored, impactful AI solutions that directly address the unique workflow needs of our clients,” said Tapan Bhatt, CEO of TeraCrunch. “Together, we will empower businesses to harness their data in ways that enhance their competitiveness and growth potential.”

Maria Ada Santos, CEO of All & Sundry, added, “We are excited to join forces with TeraCrunch to further amplify

our capabilities. Our combined approach will allow us to address our clients' most pressing workflow challenges more effectively, delivering comprehensive solutions that leverage the best of Airtable and AI.”
