“

We sell Fabuwood because it's the one brand we'd trust in our own homes — built right, built beautiful, and built to last.”

Ryan M., VP of Sales at CabinetsHQ.com

Elevating Quality with Fabuwood's Q12 Standard

Fabuwood Cabinetry has established itself as a leader in the industry through its commitment to the Q12 standard—a comprehensive set of twelve quality pillars that ensure superior craftsmanship and durability. These pillars encompass aspects such as:

Finest Materials: Utilizing top-grade materials to construct cabinets that withstand the test of time.

Dovetail Construction: Employing robust dovetail construction for enhanced structural integrity.

Soft-Close Mechanisms: Incorporating soft-close technology in doors and drawers for a seamless user experience.

Finishing Techniques: Applying high-quality finishes that are both aesthetically pleasing and resistant to wear.

By integrating these standards, Fabuwood ensures that each cabinet not only meets but exceeds industry expectations, aligning perfectly with CabinetsHQ.com's dedication to quality.

A Legacy of Growth and Innovation

Since its establishment in 2009, Fabuwood has experienced remarkable growth, evolving from a modest startup to one of America's largest kitchen manufacturers. The company's state-of-the-art facilities, including a million-square-foot manufacturing hub in Newark, NJ, and a recently established West Coast facility, enable them to produce over 5,000 cabinets daily. This expansion demonstrates Fabuwood's commitment to meeting the increasing national demand without compromising on quality.

Diverse Collections to Suit Every Taste

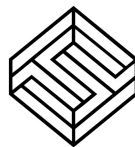

Through this partnership, CabinetsHQ.com is excited to offer a variety of Fabuwood's cabinet collections, each designed to cater to different aesthetic preferences and functional needs:

Allure Galaxy Cabinets: These cabinets blend timeless charm with modern functionality, featuring solid wood door frames, soft-close technology, and Blum Compact Clip Concealed Hinges. The polished finishes and simple designs make them a versatile choice for any kitchen.

Allure Luna Cabinets: Combining smooth finishes with a polished modern flair, the Luna line showcases solid wood door frames and 5-piece recessed panel drawer fronts, offering enduring appeal.

Fabuwood Logo and Signature

Allure Fusion Cabinets: This transitional collection merges contemporary and traditional elements, boasting wide rail moldings, distinctive details, and classic style. The full overlay doors and solid wood frames ensure both style and functionality.

Allure Nexus Cabinets: Featuring wide frames and minimalistic detailing, the Nexus collection blends conventional and transitional styles. The bright, clean design serves as an ideal foundation for a modern kitchen.

Allure Onyx Cabinets: With clean-cut, shaker-style designs, the Onyx line offers adaptability to both modern and traditional kitchens, enhancing any space effortlessly.

Illume Cabinets: Offering a modern twist on the classic shaker style, the Illume line combines traditional elegance with contemporary design, featuring full overlay 5-piece doors and high-quality finishes.

Customers can explore these collections in detail on CabinetsHQ.com's dedicated Fabuwood page.

Lifetime Warranty for Peace of Mind

Fabuwood stands behind the quality of their products by offering a limited lifetime warranty on their Allure, Illume, Value Premium, Quest, and Valencia series cabinets. This warranty ensures that all cabinets are free from unnatural defects in material and workmanship under normal residential use, providing homeowners with confidence in their investment.

Enhanced Customer Experience with CabinetsHQ.com

To ensure a seamless and informed purchasing process, CabinetsHQ.com offers several customer-centric services:

Free 3D Kitchen Design: Customers can visualize their space with Fabuwood cabinets before making a purchase, thanks to our complimentary kitchen design service.

Door Samples Available: To assist in making an informed decision, we provide door samples of various Fabuwood styles and finishes.
