Transportation is often a major concern for seniors and their families. Many residents of Tacoma assisted living facilities may no longer drive or face difficulties navigating traditional public transit options. This can lead to missed medical appointments, limited social interaction, and increased isolation, which can negatively impact overall well-being.

Recognizing this issue, Solstice Senior Living at Point Defiance sought a solution that would allow residents to maintain their independence without worrying about transportation logistics. Beyond Ride's senior-friendly transportation service ensures that residents can access:

- Doctor's appointments, physical therapy, and medical treatments.
- Social gatherings, family visits, and community events.
- Grocery stores, pharmacies, and other essential errands.
- Religious services, entertainment, and cultural outings.

This initiative aligns with Solstice's mission to provide seniors with a vibrant, engaging, and worry-free living experience while enhancing their independence.

#### Providing a Safer and More Comfortable Transportation Alternative

Safety and comfort are top priorities for seniors and their families when it comes to transportation. Unlike traditional rideshare or taxi services, Beyond Ride specializes in senior care, offering door-to-door assistance, wheelchair-accessible vehicles, and trained drivers who understand the unique mobility needs of older adults.

Each trip is designed to be:

**Reliable:** Seniors can schedule rides in advance, ensuring they arrive at their destination on time.

**Accessible:** Vehicles are equipped to accommodate mobility aids, including wheelchairs and walkers.

**Personalized:** Drivers provide assistance from pick-up to drop-off, ensuring a smooth and stress-free experience.

For seniors at Solstice Senior Living at Point Defiance, this collaboration means they no longer have to rely on family members or unpredictable transportation options to attend medical appointments or social outings.
