

Aaron Di Blasi of Top Tech Tidbits Partners with Pneuma Solutions to Launch ADA Compliance Newsletter, 'Title II Today'

DOJ mandates state and local governments comply with WCAG 2.1 by 2026-2027. Title II Today provides critical, timely, accurate, and practical information.

CLEVELAND, OH, UNITED STATES, March 24, 2025 /EINPresswire.com/ -- [Aaron Di Blasi](#), PMP, publisher of internationally respected digital accessibility publications including Top Tech Tidbits, Access Information News, and AI-Weekly, is proud to announce

the official launch of "Title II Today: Compliance & Accessibility Insights," a comprehensive monthly newsletter dedicated to ADA Title II compliance. Supported by [Pneuma Solutions](#), a leading innovator in digital accessibility technology, the newsletter provides vital guidance to public-sector professionals, educators, accessibility advocates, legal experts, and technology specialists.

“

The digital accessibility landscape is rapidly evolving, and many professionals find themselves navigating increasingly stringent requirements without clear, actionable guidance.”

Aaron Di Blasi, PMP

confidently.

"The digital accessibility landscape is rapidly evolving, and many professionals find themselves navigating increasingly stringent requirements without clear, actionable guidance," stated Aaron

The Month's News in Title II Compliance

Di Blasi. "Our goal with 'Title II Today' is simple: to bridge that gap. Leveraging our trusted approach to clarity, accuracy, and reliability, we ensure professionals aren't just informed—they're empowered."

Partnering with Pneuma Solutions enhances the newsletter's value by providing a stable foundation of cutting-edge accessibility resources.

Known internationally for innovative tools such as Scribe for Documents, Scribe for Meetings, and Remote Incident Manager, Pneuma Solutions shares a deep ethical commitment to accessibility advocacy. The company generously funds the initiative, ensuring the newsletter remains free and widely accessible to all interested subscribers.

Mike Calvo, CEO of Pneuma Solutions, explained the strategic partnership: "Aaron's proven track record in cultivating trusted, influential newsletters perfectly aligns with our mission at Pneuma. Together, we're uniquely positioned to impact ADA compliance awareness and implementation profoundly."

Subscribers of "Title II Today" gain additional access to Title2.Info, a vibrant online community platform designed to foster peer-to-peer collaboration, exchange best practices, and provide accessible resources. Advocates, service providers, and professionals are encouraged to participate actively by contributing insights, articles, and feedback.

"Accessibility is not an individual responsibility—it's a community-driven effort," Di Blasi emphasized. "Through 'Title II Today' and Title2.Info, we're committed to building a connected, empowered community that can translate compliance knowledge directly into real-world actions."

Professionals across sectors are encouraged to subscribe immediately at <https://title2.info>. Subscription is easy, free, and open now.
