

# A' Mental Health and Wellness Spaces Design Award Announces Comprehensive Prize Package for 2024

*The A' Mental Health and Wellness Spaces Design Award reveals an extensive prize package aimed at recognizing excellence in wellness space design*

COMO, CO, ITALY, March 24, 2025

/EINPresswire.com/ -- The A' Mental Health and Wellness Spaces [Design Award](#), organized by A' Design Award and Competition, announces its

comprehensive prize package for the 2024-2025 competition period. This highly regarded accolade celebrates

excellence in [wellness space](#) design through a prestigious recognition program that acknowledges outstanding achievements in creating environments that promote mental health and well-being. The award, established in 2008, has evolved into a significant platform for recognizing innovation and excellence in wellness space design, attracting participation from [designers](#), architects, and wellness brands worldwide.

The recognition of excellence in wellness space design has become increasingly vital as society places greater emphasis on mental health and well-being. The award addresses the growing demand for thoughtfully designed spaces that promote healing, relaxation, and psychological comfort. Through its rigorous evaluation process, the program aims to identify and celebrate designs that demonstrate exceptional understanding of human wellness needs while advancing the field of therapeutic environment design.

The competition welcomes entries from wellness space designers, interior architects, healthcare facility designers, spa and retreat designers, and wellness brands. Eligible projects include mental health facilities, meditation spaces, therapeutic environments, wellness centers, and holistic health spaces. The submission deadline for last entries extends to March 30th, 2025, with results announced on May 1st, 2025. Participants may submit their work through either the Professional Edition or Digital Edition participation pathways.

Wellness Space Awards 2025

Entries undergo evaluation through a blind peer-review process, where an international jury panel assesses submissions based on innovation, functionality, emotional resonance, and therapeutic value. The evaluation criteria emphasize the integration of evidence-based design principles, sustainability, and user experience. Each submission receives thorough consideration across multiple parameters, ensuring a fair and comprehensive assessment.

The A' Design Prize package includes the prestigious A' Design Award Winner Logo, a recognition trophy for Professional Edition participants, and winner certificates. Additional benefits encompass inclusion in design rankings, access to networking opportunities, and specialized marketing support. The prize structure reflects the award program's commitment to providing meaningful recognition while maintaining confidentiality for sensitive projects.

Good wellness space design plays a crucial role in supporting mental health and emotional well-being in contemporary society. By recognizing excellence in this field, the award program aims to inspire innovation and advance the standards of therapeutic environment design. This recognition serves to motivate designers and brands to create superior spaces that positively impact mental health and wellness.
