Under local and state codes, buildings that have been condemned, shuttered, or damaged by fire must be monitored by certified fire watch personnel. USPA's rapid deployment in response to the Eastland Court Apartments incident ensures the site is continuously patrolled, reducing the risk of re-ignition, vandalism, and unauthorized reentry.

The fire watch team will work in coordination with the Detroit Fire Department as investigators assess the scene. USPA's personnel are trained to ensure compliance with all municipal fire codes while providing immediate notification to first responders if conditions change.
