LOS ANGELES , CA, UNITED STATES, April 2, 2025 /EINPresswire.com/ -- American actor and writer [Mark Pettit](#) announced today that he has signed with Los Angeles-based Citizen Skull Management and that industry veteran Jennifer Yeager will lead his management team.

Pettit is a three-time Emmy® award-winning TV news anchorman and two-time best-selling author turned actor. His most recent book, [ANKRBOY](#), based on Pettit's true-life story became a best-seller on Amazon just a week after it was released in 2024. Citizen Skull will help guide Pettit as he works to turn the book into a feature film or limited run TV series.

Pettit and his writing partner, AJ Jones, recently completed the ANKRBOY screenplay and are now ready to take it into development. Mr. Jones is also represented by Citizen Skull.

Most recently, Pettit appeared as a White House correspondent in the blockbuster movie Captain America: Brave New World. This summer, he'll make an appearance in what is expected to be another massive movie hit.

"Mark is a unique talent, bringing both real-world experience in broadcast news and increasingly honed skills in acting and writing into the make-believe world of Hollywood," said Ms. Yeager, Talent Manager at Citizen Skull. "We think Mark has an exciting future ahead and look forward to

helping guide him.”

“I don’t do anything half-way,” said Pettit. “Once I decided to make the move into acting, I was all in—and thankfully it’s paying off. I’m excited to be working with Citizen Skull and look forward to the next phase of my journey.”

In addition to pursuing his acting and writing, Pettit is also CEO of the Atlanta-based Marketing and PR firm, Creaxion® which he founded 27 years ago.
