rapidly evolving society. The film has captivated audiences and critics alike with its compelling narrative, exceptional performances, and thought-provoking exploration of contemporary African life. Set against a vibrant yet challenging backdrop, "Complicity" has received critical acclaim for its authentic portrayal and universal themes that resonate deeply with viewers across cultures.

AMG plans to leverage its distribution expertise to bring "Complicity" to audiences across North America, Europe, and Asia. The film is expected to resonate with a global audience seeking fresh,

thought-provoking storytelling from the African continent.

Mark S. Berry, Chairman of AMG – Music, Film & Television, said, “Complicity is a film that speaks to the hearts of everyone, and soul of humanity. It’s a powerful narrative and the exceptional performances are a testament to the brilliant work of Director Afe Olumowe and 1st assistant director Saidi Balogun, along with a very talented actress Shirley Igwe and the experienced producer Chibuiké T. Okere. We are honoured to bring this beautiful story to the US and international audiences, and we believe it will resonate deeply with viewers across the world.”

"We are incredibly proud to bring 'Complicity' to audiences worldwide. This film exemplifies the new wave of bold, socially conscious African cinema, and we believe its impact will extend far beyond the screen. We are honoured to partner with the filmmakers to introduce this extraordinary work to a global audience." said Duane Farley EVP of The AMG – Music, Film & Television.

AMG will implement a robust, multi-platform release strategy, ensuring "Complicity" reaches audiences through major streaming platforms like Amazon Prime and pre-approved theatrical screenings. This strategic approach will provide viewers worldwide with the opportunity to experience this remarkable film. As international interest in African cinema continues to grow, AMG aims to be at the forefront of this movement, championing groundbreaking stories and diverse perspectives.

The acquisition of "Complicity" aligns perfectly with AMG's vision to bridge cultural divides through storytelling. Showcasing unique cinematic experiences that foster understanding and celebrate diversity is how AMG strives to connect audiences with stories that inspire, entertain, and challenge perspectives.

"Complicity" is slated for an international release across with its upcoming exclusive premiere through the top tier of streaming networks, with further details to be announced soon.
