## Comprehensive Chiropractic Services for Pain Relief

Spine & Joint Center offers a full range of [chiropractic services in Fort Lauderdale](#) designed to address a wide variety of musculoskeletal conditions.

### Back Pain & Neck Pain Treatment

Back pain and neck pain are among the most common conditions treated at Spine & Joint Center. Whether caused by poor posture, workplace strain, or spinal misalignment, the clinic provides gentle chiropractic adjustments to realign the spine and relieve tension.

1. Chiropractic Adjustments – Restores proper spinal alignment and reduces nerve pressure.
2. Spinal Decompression Therapy – Helps relieve herniated discs and sciatica by reducing spinal compression.
3. Massage Therapy & Rehabilitation – Supports muscle recovery and promotes long-term pain relief.

### Auto Accident Injury Recovery

Car accidents can cause serious spinal injuries, including whiplash, back pain, and soft tissue damage. Spine & Joint Center provides specialized auto accident chiropractic care, including:

1. Whiplash Treatment – Gentle adjustments to reduce inflammation and restore mobility.
2. Spinal Alignment for Injury Recovery – Helps correct misalignments caused by sudden impact.
3. Therapeutic Exercises & Rehabilitation – Strengthens muscles and improves range of motion after an accident.

The clinic works directly with attorneys and insurance companies to ensure accident victims receive proper care without financial burden.

### Sciatica & Herniated Disc Treatment

Sciatica, often caused by a pinched nerve or herniated disc, leads to sharp, radiating pain from the lower back to the legs. The Spine & Joint Center team specializes in non-surgical sciatica relief

with:

1. Spinal Decompression Therapy – Creates space between vertebrae, relieving pressure on the sciatic nerve.
2. Targeted Chiropractic Adjustments – Corrects misalignments that contribute to nerve compression.
3. Corrective Exercises – Strengthens the lower back to prevent recurring sciatica pain.

### Sports Injury Chiropractic Care

Athletes, from weekend warriors to professionals, trust Spine & Joint Center for injury recovery and performance optimization. Whether recovering from sprains, strains, or joint pain, the clinic offers:

1. Sports Chiropractic Adjustments – Enhances movement and reduces stress on joints.
2. Injury Prevention & Rehabilitation – Helps athletes strengthen weak areas and avoid future injuries.
3. Custom Recovery Plans – Tailored to each athlete's sport and physical condition.
