*Early access to eligible direct deposits made through the Automated Clearing House (ACH) network depends on when the payment file is received by the bank. DailyPay generally makes these funds available on the day the payment file is received from the IRS, which may be up to 5 days earlier than the scheduled payment date. Early availability of direct deposits is not guaranteed. Whether we make funds available early depends on when we receive the payment file, any limitations we set on the amount of early availability, and standard fraud prevention screening.

The DailyPay Visa® Prepaid Card is issued by The Bancorp Bank, N.A., Member FDIC, pursuant to a license from Visa U.S.A. Inc. and can be used everywhere Visa debit cards are accepted.
