LONG BEACH, CA, UNITED STATES, March 25, 2025 /EINPresswire.com/ -- [Trelmage LLC](#) and [ByFrog Co.](#) have inked a deal to combine their strengths in creating new licensing and other business opportunities for North America and Latin America.

This new alliance kicks off with the official launch of ByFrog's Location-Based Entertainment division, the addition of new brands, and the development of entertainment projects for its current client portfolio and for that of Trelmage. Through this agreement, byFrog Co. will license Trelmage's brands and celebrity

client roster in Brazil, while also producing live shows and musical performances across the continent in partnership with key collaborators for both companies' clients. In exchange, Trelmage will handle business opportunities for byFrog in the U.S. and Canada.

Rodrigo Dagnolo, CEO of byFrog Co., commented, "Prior to the establishment of byFrog Co., our team was already deeply involved in the entertainment industry, producing events across Brazil, training actors for musicals and pocket shows, and organizing Meet & Greets. We are thrilled to embark on this new chapter for the company, which represents a growth that each and every one of us has worked tirelessly for and fully deserves." He added, "The Trelmage team shares our innovative mindset and thinks outside the box, just like we do, which makes this partnership a natural fit."
