

LAB Windows & Doors Helps Homeowners Access Energy Rebates & Interest-Free Loans

LAB Windows & Doors makes upgrading windows & doors affordable by simplifying access to Ontario's Home Energy Rebates and Canada Greener Homes Loan.

ETOBICOKE, ON, CANADA, April 7, 2025 /EINPresswire.com/ -- LAB Windows & Doors, [a trusted provider of ENERGY STAR® certified windows and doors](#) serving Etobicoke, Mississauga, Oakville, Toronto, and the broader GTA, is proud to announce their support and guidance for homeowners seeking to benefit from Ontario's newly introduced [Home Renovation Savings Program](#) and the federal government's [Canada Greener Homes Loan](#).

As part of Ontario's \$10.9 billion investment in energy-efficient home improvements, the Home Renovation Savings Program offers homeowners rebates covering up to 30% of the cost for eligible upgrades, including windows, doors, insulation, and more. Starting January 28, 2025, homeowners can qualify for \$100 rebates per ENERGY STAR® certified window or door installed, along with a \$600 rebate for completing a home energy assessment.

To further ease the financial commitment, homeowners across Canada can now also access the Canada Greener Homes Loan—an interest-free loan providing up to \$40,000 to support energy-efficient home retrofits. LAB Windows & Doors guides customers through each step of qualifying for these programs, from energy assessments and selecting energy-efficient products, to professional installation and final rebate submissions.

“Our goal is simple—to help Ontario homeowners easily and affordably improve their homes,” says Bobby Bidos from LAB Windows & Doors. “With our ENERGY STAR® certified windows and doors, along with these generous rebate and financing programs, customers can significantly
