

Wound Care Advantage Welcomes Bear Valley Community Healthcare District to the WCA Network

CA, UNITED STATES, March 27, 2025 /EINPresswire.com/ -- Wound Care Advantage (WCA) is proud to announce our new partnership with [Bear Valley Community Healthcare District](#). This collaboration is an important step in providing high-quality wound care services to the Big Bear Lake community. With a dedicated staff and a strong commitment to quality care, Bear Valley Community Healthcare District takes pride in serving the Big Bear community for nearly 40 years. Offering many of the same services that residents often travel miles down the hill to receive—right in the heart of the mountain community.

Chronic wounds continue to be a serious and growing problem, affecting millions of people in the United States alone. Wound care plays a vital role in managing, preventing, and reducing infections and amputation, saving countless lives each year. Through our partnership, Bear Valley Community Healthcare District will have access to innovative technology, resources, and on-call guidance from WCA. Our goal is to empower our partners with the tools and resources they need to succeed in providing exceptional wound care to their community.

The WCA team did training with the nurses of Bear Valley during their go-live this past week, ensuring a smooth start for their operations as partners with Wound Care Advantage.

Bear Valley Community Healthcare District is a leading healthcare provider in the Big Bear Lake, California area and dedicated to delivering exceptional wound care, hyperbaric, and vascular services across a broad range of specialties. With a commitment to compassionate care, cutting-edge technology, and patient-centered excellence, Bear Valley Community Healthcare District Wound Center strives to improve the health and well-being of the local community.

As part of the WCA Network, Bear Valley Community Healthcare District will benefit from increased visibility, improved business prospects, and enhanced abilities and practices of wound care. We are thrilled to work with the dedicated team at Bear Valley Community Healthcare District to advance wound care in their community.

We believe that every wound center has the potential to thrive, and our goal is to promote the operational, clinical, and financial success of wound care programs to save the limbs and lives of patients. We are committed to delivering exceptional wound care and improving the lives of patients in the Big Bear Lake community.

About Wound Care Advantage

For over 20 years WCA has supported a national network of wound centers focused on reducing costs and improving patient outcomes. WCA empowers these centers by seamlessly transitioning from outsourced management to in-house support, leveraging Luvo – the industry's most powerful business intelligence platform. How can WCA support you? Learn more at www.thewca.com.
