

Dr. Kara Leigh Roncin selected as Top Surgical and Clinical Pathologist of the Year by IAOTP

Dr. Kara Leigh Roncin member of the International Association of Top Professionals (IAOTP) will be honored at their annual awards gala in Las Vegas

NEW YORK, NY, UNITED STATES, March 25, 2025 /EINPresswire.com/ -- Dr. Kara Leigh Roncin, medical doctor, was recently selected as Top Surgical and Clinical Pathologist of the Year for 2025 by the International Association of Top Professionals (IAOTP) for her outstanding leadership, dedication, and commitment to the industry.

Inclusion with the International Association of Top Professionals is an honor in itself; only a few members in each discipline are chosen for this distinction. These special honorees are distinguished based on their professional accomplishments, academic achievements, leadership abilities, longevity in the field, other affiliations, and contributions to their communities. All Honorees are invited to attend the IAOTP annual award gala at the end of this year for a night to honor their achievements.

With a decade of experience in the industry, Dr. Roncin has certainly proven herself as an expert in her field. As a dynamic, results driven leader, Dr. Roncin is a board-certified Anatomic and Clinical Pathologist and an integral member of the respected team at CHI Health (part of CommonSpirit Health) in Nebraska. Dr. Roncin also serves as a Clinical Instructor in the Department of Pathology at Creighton University School of Medicine. Dr. Roncin's expertise is in surgical pathology, with a focus on breast pathology, however her widespread expertise in various clinical pathology processes have deemed her the expert in this niche in the medical community. Dr. Roncin collaborates closely with clinicians to ensure comprehensive patient care and contributes significantly to the Creighton University pathology residency program.

Dr. Roncin's professional affiliations include membership in the United States and Canadian Academy of Pathology (USCAP), the College of American Pathologists (CAP), the International Society of Breast Pathology (ISBP), the International Society of Urological Pathology (ISUP), the Digital Pathology Association (DPA), and the American Society of Clinical Pathologists (ASCP), among others.

Dr. Roncin's areas of expertise include, but are not limited to pathology, quality assurance/quality improvement, instruction, supervision, wellness, and leadership.

Before embarking on her career path, Dr. Roncin earned her B.S. with honors in Anatomy and Cell Biology from the University of Saskatchewan followed by a B.S. in Health Science and a Doctor of Medicine from the Medical University of the Americas. Following her medical training, Dr. Roncin began her career as a resident doctor in combined anatomic and clinical pathology at Case Western Reserve University, University Hospitals Cleveland Medical Center. She then completed her residency with a 5th year fellowship in selective pathology with a focus on breast pathology for one year at Case Western Reserve University, University Hospitals Cleveland Medical Center. To further refine her expertise in surgical pathology, she completed a second clinical fellowship in surgical pathology with the University of Saskatchewan under the Saskatchewan Health Authority in Saskatoon, Canada, in 2023, before working for the organization as a pathologist in 2023.

Throughout her illustrious career, Dr. Roncin has received many awards and accolades and has been recognized worldwide for her accomplishments. During her residency, she was honored with the Harry L. Taylor IV, MD Trainee Award in Pathology in 2018 and the Association of Residents and Fellows Travel Award in 2021. She also received a Jerome A. Smith Infectious Disease Poster Award from the Binford-Dammin Society of Infectious Disease Pathologists in 2021. Last year she was a Listed Honoree by Marquis Who's Who in America and Marquis Who's Who of Professional Women, as well as recognized by Best in Nebraska Magazine as a Top Pathologist. In 2025 she received the prestigious recognition by Marquis Who's Who as a Top Doctor and features in a number of notable publications, such as Fortune National magazine. This year she will be considered for the Empowered Woman Award, including a feature in TIP (Top Industry Professionals) Magazine. She will be honored at IAOTP's annual awards gala at the remarkable Bellagio Hotel in Las Vegas this December for her selection as Top Surgical and Clinical Pathologist of the Year.

In addition to her successful career, Dr. Roncin is actively involved in civic organizations. Since 2023 she serves as the lead member for pathology on a local network cancer committee, where she additionally serves as the commission on cancer chair for the local network cancer committee for the 2025-2026 term. Also since 2023 she has been a member of the local breast care team and the lead member for pathology on the breast health professional advisory board for CHI Health. More recently, her projects include creating reflex testing algorithms for patients with either gastrointestinal or non-small cell lung adenocarcinoma that received full support from both committees and upper-level management at every hospital Dr. Roncin services. Since 2024 she has led the department of pathology grand rounds committee at CHI Health. Additionally, Dr. Roncin participates in a wide variety of community events including previous engagements with the Medical University of the Americas chapter of the American Medical Student Association and volunteering with the Greystone Scholar Society in Saskatoon, Saskatchewan.

The President of the International Association of Top Professionals (IAOTP), Stephanie Cirami, stated: "Choosing Dr. Roncin for this honor was an easy decision for our panel to make. She is inspirational, influential, and a true visionary and thought leader. We cannot wait to meet her and celebrate her accomplishments at this year's gala."

Looking back, Dr. Roncin attributes her success to her perseverance, determination, and mentors she had along the way. When not working she enjoys spending time with her family and traveling. In the future, she hopes to further expand her presence on YouTube where she has an educational channel that allows her to connect with and share her knowledge and experiences with a broader audience. In addition, she hopes to inspire people getting into her field.
