

HeadwayExec Launches Dedicated Program to Support Veteran Entrepreneurs

Veteran-owned business advisory firm introduces comprehensive support for military veterans entering or expanding in the business world

HOUSTON, TX, UNITED STATES, March 26, 2025 /EINPresswire.com/ -- HeadwayExec, LLC, a veteran-owned and operated business advisory firm, today announced the launch of its Veteran Entrepreneur Support Program, designed specifically to address the unique challenges and opportunities faced by military veterans in the business world.

Take command of your business dreams

The new initiative offers tailored guidance for [veterans at every stage of their entrepreneurial journey](#) – from those just beginning to explore business ownership to established veteran entrepreneurs looking to scale their operations.

"Veterans possess exceptional leadership skills, adaptability, and determination – all qualities that translate perfectly to entrepreneurship," said Doug Thorpe, President and founder of HeadwayExec. "Our program bridges the gap between military service and business success by providing veterans with the specific knowledge, resources, and mentorship they need to thrive in the marketplace."

The Veteran Entrepreneur Support Program includes:

One-on-one advisory sessions with successful veteran business owners

Customized business planning and growth strategies

Access to veteran-focused funding resources and opportunities

Networking events connecting veteran entrepreneurs with potential partners and clients

Specialized workshops addressing common challenges in veteran-owned businesses

What sets HeadwayExec's program apart is its "[veterans helping veterans](#)" approach. Many

advisors in the program have military backgrounds, ensuring they understand the unique perspective and challenges that veteran entrepreneurs face.

"When I transitioned from military service to business ownership, I faced obstacles that could have been avoided with the right guidance," added Bill Weber, BG, U.S. Army (Ret) a HeadwayExec advisor. "This program provides the roadmap I wish I'd had when starting my own civilian journey."

The Veteran Entrepreneur Support Program is now accepting applications from veterans interested in starting their own businesses and from veteran business owners seeking growth advisory services.
